

HOLY SPIRIT, ST. ANTHONY, ST. JOHN CANTUUS

March and April in the clustered parishes started off with meaningful opportunities to enter more fully into the solemn time of Lent in order to experience the joyous celebration of Easter's resurrection.

Ash Wednesday, Stations of the Cross, reflective reconciliation services, and the Easter Triduum were filled with sacred rituals and beautiful music.

In addition to the on-going schedule of Masses, including SAS First Eucharist, adoration, holy hours, meetings, and committees, EVEN MORE happened during these busy months! Here is just some of the activities and events in the cluster for March & April 2017.

THANK YOU for your extraordinary support & participation!!
